

Preparing for your Pet's Annual Exam

QUESTIONS WE WILL ASK

- ☐ Lifestyle (where they spend their time)
- ☐ Exercise (type, tolerance, where, duration and frequency)
- ☐ Nutrition (What they eat, how often, how much, anything else by mouth)
- ☐ Dental Care (What is done at home, what has been done at vet)
- ☐ Contact (with other animals and at-risk humans)
- ☐ Medical/surgical history
- ☐ Preventive Care history (what, where, when, any reactions)
- ☐ Behaviour (what's normal, any concerns)
- ☐ Any other changes or concerns

WHAT TO BRING ALONG

- ☐ Vaccine records (what they had, when, and at what clinic)
- ☐ Any current or recent medications or supplements (a list or pictures)
- ☐ Food type, brand, amount, and anything else they eat or chew
- ☐ If your pet has food allergies, bring safe treats with them
- ☐ Bring your pet fasted (if instructed to do so)
- ☐ Urine or fecal samples (if instructed to do so)
